The week of July 4-9, 2010, Onslow County 4-H will be traveling to Betsy-Jeff Pen 4-H Center for a week of summer fun. Beginning with a cookout on Sunday afternoon, and culminating with fond farewells and hugs on Friday morning, a week of camp can be the highlight of your child’s summer.

Penn provides age-appropriate, small group experiences in an enjoyable, noncompetitive environment. Throughout the week, campers, ages 8-14, enjoy daily activities with their coed groups. These include swimming, canoeing, horseback riding, climbing on the climbing tower, archery, craft, environmental studies, as well as other fun-filled activities. The older groups participate in teambuilding and high ropes elements. Evening Programs consist of talent show, land/water sports, campfires, award ceremony, and dance. Two advanced groups (ages 12-14), Adventurers and Trekkers, enjoy adventure based programming.

The cost of this year’s camp week will be $275. At registration, a $200 deposit per camper is due along with a registration form. For more information contact Wanda Mills, 4-H Program Associate at 910-455-5873. Remember, spots are limited to 30 youth on a first come first serve basis.
