

HOLIDAY WREATH SALE

Onslow 4-H, Master Gardener Volunteers, and Extension & Community Association are pleased to offer 26-inch fragrant wreaths to you in time for the Holidays. These wreaths are made by hand from the boughs of Frazer Fir Christmas Trees grown on the Brookgreen Family Farm in Ashe County. To ensure the freshness these boughs are pruned from the trees by hand while they are standing in the field. The boughs are trimmed and then attached to a wire ring by clamps. The handmade wreaths are then sprayed with Greenzit. This product seals the needles and evens the natural color variation between trees.

Pre-Orders Only

Sale Runs September 19- November 15th

Pick-up November 27, 2019

Cost is \$22 per wreath
